A Word From Your Mission Strategist

Every single day I am reminded that this world is so much bigger than my little corner of it. We are connected by our phones and the internet in ways we were not even a few years ago. And while our experiences here in middle Georgia may be very different than those of brothers and sisters around the globe, the need for the proclamation of the Gospel remains the same.

The closer we get to FOCUS 2020 the more excited I get to be able to engage with our missionaries who are serving all over this world of ours. Their methods and responsibilities vary, but their message is the same: the Gospel of Jesus Christ. Through the Cooperative Program of the Southern Baptist Convention, we get to share in this work. So, as your church gives through the CP, the missionaries of the Georgia Baptist Mission Board, the North American Mission Board, and the International Mission Board are equipped to go farther and do more.

FOCUS 2020 will be held April 25-26. Join us on Saturday afternoon beginning at 3:00 PM at Mountain View Baptist Church for a family-friendly, interactive time to Meet Your Missionaries. Georgia Baptist Disaster Relief will showcase one of their new food trucks by

“as your church gives... missionaries... are equipped to go farther and do more.”

providing a meal for each of us. Children can engage missionaries with a Scavenger Hunt. Students and adults can explore ways to participate in missions. Who knows how God might move you to be involved in His work around the world?

Then on Sunday, our missionaries will be speaking in our Centennial churches. We are in the process of scheduling all of that now and will have a detailed list as we get closer to the event. If you would like to host a missionary in your home, let us know. We also want to be a blessing to every missionary who is coming, so if your church would like to contribute toward the honorariums, please send that to CBA and be sure to designate it for that purpose.

Centennial exists to network churches to make disciples. FOCUS 2020 is one tool available to your church to encourage a multi-tiered mission mindset.

We are also looking forward to other mission efforts including the Dental Clinic, the Pennsylvania Mission Trip, and the VBS equipping event. If there is anything else we can do to support the work you are doing, let us know. We get to do this together!

In just a few short weeks, Centennial will be hosting **missionaries** from around the globe to connect with **YOU** at **FOCUS 2020!**

Things will kick off Saturday, April 25th at Mountain View, 2569 Jeff Davis Road, in Thomaston.

How Am I?

On January 21st, my Daddy passed away. I remember being so elated for him that I did not cry at all that day. The next day and every day since has been quite a different story. The grief process for one secure in Christ should look very different than those who do not know Him. For "we do not grieve as those who have no hope". But what does it actually look like? What should it feel like? The inner critic in me needs to know. Death has a sting. We were not created with what is necessary to rightly process death because we were created with eternity set in our hearts. Handling death while life continues is difficult at times. When I need to cry or pause to reflect, lights turn green, deadlines tick closer, mail needs to be processed... Life is still happening. I understand more now why other cultures practice a season of mourning. Ripping

my clothes, putting ashes on my head, dressing in black, and taking some time make sense to me. Before you get concerned, I need you to know that I am not depressed. I have been there before and this is not that. I just miss my Daddy. I am

trying to fully process losing him so that I do not miss the fruit that I know can come from relying on God through this. It's bitter fruit... but it's still fruit. I have never needed God like I am needing Him right now. I do not wish to rip off the scab that the past month has formed, but I also do not want to rush this. So, if you see me, ask how I am doing. I promise it's alright. I may cry, but it helps. Thank you for all of the calls, cards, texts and messages. I know that you guys love me and continue to pray. I trust that one day I will be able to talk about him without tears. I'm just not there yet.
